IMPORTANT MESSAGE ENCLOSED

Dear Friends,

This past year has been a season marked with outstanding growth and community support.

With your help, we added several new food distribution sites, including the Community Kitchen, a permanent food pantry in the Fruit Valley neighborhood. All these additional sites mean we're able to provide fresh food to people who didn't have access before. And all of this is happening because of YOU.

This past year, we hosted more volunteers than ever before. That means you, your friends, your coworkers, your peers, and your families are all working together to alleviate hunger and its root causes in our community.

Thank you for your commitment to help those in need. As you look through this "Food Box" Annual Report, I hope you are as inspired and thankful as I am to be part of such a generous and compassionate community. I look forward to seeing what this next year has in store for all of us.

Sincerely,
Alan
Alan Hamilton, President
