

Thank you for considering partnering with Clark County Food Bank during our 11th annual **Tacos & Taps** fundraiser event! Taking place on both Friday, May 17, and Saturday, May 18, 2024 from 4:00-9:00 pm, this event brings together some of the best food and beer talents of Clark County to raise funds to *alleviate hunger and its root causes* in our community. Last year **Tacos & Taps** raised enough funds to provide more than 135,000 unduplicated individuals in our community with food, so your partnership makes a huge difference!

Your participation would not only be an opportunity to give back to the most vulnerable population in our community, but it's also a chance for you to showcase your brewing and culinary talents. Attendees look forward to interacting with each vendor, so we encourage you to bring brochures, business cards, or other marketing materials so guests may follow up with you or visit your location after the event. Also, we want to publicize your participation and generosity, so we'll make sure you are recognized on both our website and social media, as well as in all press releases and media outlets about the event.

Not only does **Tacos & Taps** help us raise funds, but it is fun! With numerous beers and tacos to try, a band on stage, raffles to enter and much more, everyone who attends has a wonderful time. In fact, people have so much fun at **Tacos & Taps** that we sell out every year!

Will you consider partnering with us at the 2024 Tacos & Taps? If so, please fill out the registration form on page two.

If you have any questions or would like further information, please don't hesitate to contact us at christina.stewart@clarkcountyfoodbank.org or (360) 693-0939. Thank you again for your support, we look forward to seeing you in May!
